- 5.1.1 Complete Online Statement: The P-card statement is available online on the 28 day of each month. Access the statement online and enter the required information for the description and budget code.
- 5.1.2 Print Online Statement: The card holder (or designee) shall print the online statement after entering the budget code and transaction description.
- 5.1.3 Attach Documentation to Statement: Each card holder shall attach original receipts (or confirmation sheets for online purchases) for all charges. If a packing slip, shipping confirmation, or other such document is received with the order, attach such documentation as well.
- 5.1.4 Submit Statement and Documentation: The above documentation shall be submitted to the Business Office on or before the 5th of each month. Such documentation shall carry the approval signatures of both the cardholder and his/her supervisor.
- 5.2 Any issues related to the purchase (e.g., damaged goods, back orders, delivery, etc.) must be addressed by the cardholder – not the District's purchasing and receiving department or the Business Office.
 - 5.2.1 P-card purchases must be delivered to the cardholder's building. If it is desired that a delivery be made to the warehouse, the purchase needs to be made on a purchase order rather than a P-card.
- 5.3 The cardholder should verify that the vendor is not charging Nebraska sales tax on the purchase.
 - 5.3.1 Note: The P-card will have the District's state tax exempt number displayed on its face. Occasionally, the vendor resists granting the exemption. If this occurs, continue with the purchase but notify the Business Office of such. The Business Office will work with the vendor to ensure that future purchases are not subjected to the tax.
 - 5.3.2 Note: Nebraska schools are NOT exempt from sales tax in other states. Therefore, a purchase in Council Bluffs will be subject to Iowa sales tax.
 - 5.3.3 Note: Internet purchases are exempt from sales tax at the time.
